

# FORGIVENESS: HEALING BEYOND HURT

Step Into Freedom: A Transformational  
Forgiveness Workshop with Certified  
Intuitive Coach - Andrea Leigh

Discover the liberating power of true forgiveness in this heart-centered workshop rooted in the teachings of A Course In Miracles; you'll explore forgiveness not as an act of condoning, but as a radical shift in perception—from fear to love, from judgment to inner peace. Through deep emotional exercises, spiritual reflection, and practical tools, this workshop invites you to release the burdens of resentment, reconnect with your soul's wisdom, and embrace the healing light within. Forgiveness isn't for them—it's a gift for you.
