

Learn to Read Tarot Cards

With Cassidy the Cardslinger

Wednesday October 7th 6:00-8:00PM at Inwards Market

The Art of Practical Tarot Reading

This two hour hands-on workshop focuses on practical applications of card reading. Whether you're looking to use tarot for personal insight, spiritual growth, or for divination for yourself and others, this workshop will give you the experience to start reading the cards with clarity.

This workshop is perfect for absolute beginners, intermediate readers, or anyone looking for a practical method of card reading.
